The **Connecticut Association of Diversity and Equity Professionals (CADEP)** exists to:

- Provide a body which advocates the implementation of Affirmative Action programs and promotes equal opportunity in State government.
- Maintain and promote ethical standards for the profession.
- Promote professional growth, performance and development of its members.
- Provide a liaison with federal, state, local and private agencies involved with equal opportunity compliance.
- Provide forums and to develop and disseminate materials which are relevant to the achievement of affirmative action and equal opportunity objectives.
